

Leave Indiana Do not Call list alone.
I no longer have a ringing phone every 10 minutes.
The calls I did have were from banks and credit card companies.
If I want my credit card and bank to call me I will provide them
with the information. We have a right to privacy and I loose
my right to privacy when my phone rings every 1/2 hour with a
bank wanting to sell me something. No thanks!!!!
Indiana do not call list worked for me and I want to keep it!
If I am interested in the services of the banks and other companies
I will look them up online and contact them myself. Leave the
Do Not call List alone!!!!!!
